**Freight paid to your Station—See page 1,
paragraph 4.**

BEANS--We expect beans to go higher, and at 9 cents a pound they are excellent value compared with the price of other foodstuffs.

MINCE MEAT--At 90 cents for 4 lb. pail, or \$4.25 for 25 lbs., is the best value on the market.

CIGARS--Why pay 15 cents each for Preferencia Bull Dogs when you can buy a box of 25 at 11 cents each. See list of other cigars at same rates.

EGG CASES--Buy a 30 doz. egg crate complete with fillers, express prepaid, for 50 cents, and ship your eggs to us.

DRIED PEACHES and PRUNES that are quoted in our list are the best quality. Try a case of them.

JAMS--It looks as though jams will be higher. A case assorted as per our list is good buying

COFFEE--Perfection in 25 lb. cartons at 49 cents. We are sure this will satisfy you.

SUGAR--It does not look as tho there will be much relief in the situation until March. We have some Eastern White and Yellow and will give you a liberal supply equal quantities while they last. Prices quoted present market only. Advance expected daily.
